- **Batteries included:** No
- **Battery type:** AA / LR6 Alkaline

### Technical specifications

- **Housing material:** Natural rubber
- **Bulb type:** KPR104
- **Bulb voltage:** 2.2 V

### Green Specifications

- **Packaging material:** Carton, PET
- **Packaging type:** Hang tag

### Dimensions

- **Master carton quantity:** 6
- **Outer carton dimensions WxDxH:** 155 x 345 x 115 mm
- **Product dimensions (WxDxH):** 110 x 250 x 35 mm
- **Product weight:** 0.122 kg

SBCFL160/01B

## Product highlights

### Philips Krypton bulb

A miniature bulb in which Krypton gas is used to increase the light output up to 70% more than a standard bulb.

### Pre-focused beam

Thanks to a pre-shaped lens and/or reflector the beam provides the most optimal light output and focus.

### Splashwaterproof

Rubber sealing rings and housing prevent that water causes damage to the flashlight and allow you to use it in all weather conditions.

### Shock resistant

A special shock resistant plastic or rubber housing prevents damage to your flashlight caused by shocks.

### Anti-roll bar

A special shape in the housing of the lamp makes sure it will not roll away on a sloping surface and thus keeps your flashlight always close at hand.

### Nylon strap

This strap makes the flashlight easy to carry around and prevents it from falling if it accidentally slips out of your hand.
